REMARKS

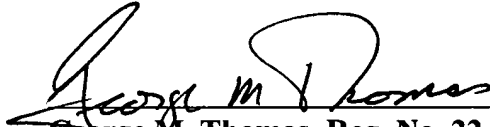

This responds to the Office Action dated August 22, 2005.

Applicant has cancelled claims 27-32 that were rejected under Section 103(a).

The claims remaining in the application have been reviewed and amended where necessary to meet the rejections made by the Examiner. Also, some of the independent claims have been amended to recite that the panels are shaped for being continuously manufactured, as previously set forth in other independent claims, such as in claim 19.

Applicant submits that the claims of the application should now be in condition for allowance and appropriate action is courteously solicited.

Respectfully submitted,

 *Nov. 17, 2005*
